

Pittman Petitioned To Seek Clerkship

M. Luther Pittman, former chief clerk of the Superior Court who last week was appointed by the judges of the Supreme Bench as court clerk to fill the unexpired term of the late Stephen C. Little, late today was petitioned by more than one hundred employes of the court and Land Record Office to run for election to the clerkship next fall.

The petition, signed by the court employes, was presented to Mr. Pittman by a delegation of the court workers. Mr. Pittman reserved decision.

A petition, it was learned, also is being circulated among Baltimore attorneys. Some lawyers are seeking to induce Mr. Pittman to run for the office, subject to the Democratic primary in September. Political forces, however, already have been marshaled on behalf of other potential candidates. One of those reported to be possible candidates for the clerkship is Edward P. McDonogh, now a clerk in another court and an active figure in East Baltimore politics.

Acting Incumbent Seeks Democratic Nomination For Supreme Bench Post

M. Luther Pittman, acting clerk of the Superior Court under appointment by the judges of the Supreme Bench, today announced his candidacy for the Democratic nomination for the clerkship. He is one of the few "career candidates," according to attorneys, to seek such an office.

Having spent twenty years in the Superior Court and having held all but one of the various types of positions

M. Luther Pittman will abandon his present civil service position and pension rights. The elective position pays a salary of \$3,500 annually. Pittman's salary in the past

few years as chief clerk and deputy has been the same amount annually.

Several petitions now being circulated among attorneys and approximately 400 signatures of lawyers so far have been appended urging Pittman to seek the clerkship. E. Paul Mason, president of the Bar Association of Baltimore city, upon being informed of the acting clerk's announcement, said:

"He has made an excellent court clerk and knows more about the court office and its functions than most lawyers."

Is An Attorney

Pittman is an attorney. He was graduated from the University of Maryland Law School in 1925 after he had worked for a number of years in the clerk's office. He lives with his

wife and three children at 3607 Hicks avenue, in the Forest Park section.

In 1918 Pittman was appointed as a recorder in the Superior Court by Mr. Little. He held various clerkships and cashierships in various departments of the office until he became the court clerk in one of the tribunals. In 1937 he was made deputy and chief clerk and last February was appointed acting clerk by the Bench.

Pittman To Run For Court Clerk

M. Luther Pittman, who was named as acting clerk of the Superior Court by the Supreme Bench following the death of Stephen C. Little, today announced that he would seek election to the office subject to the Democratic primary next September.

Mr. Pittman has served in the office since 1918, and was named acting clerk last February 15 to serve until the coming election. He is a graduate of the University of Maryland, and has the backing of a number of attorneys, among them E. Paul Mason, president of the Bar Association.

Mr. Pittman is forty-four and lives at 3607 Hicks avenue with his wife and three children.

DAY BY DAY

By CARROLL DULANEY

Political history often repeats itself, just as do other kinds of history.

CARROLL DULANEY

I see by the papers that more than a thousand members of the Baltimore Bar petitioned Luther Pitman, now Clerk of the Superior Court by appointment of the Supreme Bench, to seek election to that office. Mr. Pitman succeeded Stephen C. Little, who died last February. He has been employed in the Court for 19 years and is recognized as an authority on pleading and practice.

The petition is 26 feet long and so impressive that Mr. Pitman filed his papers for the office.

It was 59 years ago—April 3, 1879—that a petition signed by 357 lawyers was sent to Francis A. Prevost, who had been appointed Clerk of the Superior Court by the Supreme Bench, to run for election for the same position.

The petition, frayed and faded, is still preserved in the court records and the signatures attached show that the Maryland bar at that period was among the best in the country. Among the famous names noted are Severn Teackle Wallis, I. Nevitt Steele, A. Leo Knott, Reverdy Johnson, Bernard Carter, John P. Poe, Randolph Barton, Orville Horwitz, Robert A. Dobbin, Roger W. Cull, A. W. Machen, Frank Gosnell, Joseph Packard, Southgate Lemmon, J. H. B. Latrobe, Jr., John E. Semmes (what a fighter he was!), Frank X. Ward, George M. Sharp, Albert Ritchie (father of our late Governor), John H. Thomas, William F. Frick and J. Wilson Leakin.

I almost forgot to say that Prevost ran and was elected. Mr. Pitman is hoping there is a good omen in this.

ager, now retired, whose home is at 624 North Mount street. It contains the autographs of every member of the Maryland General Assembly of 1868.

The book was presented to Mr. Herbert's father, the late Maj. F. Dorsey Herbert, by Thomas E. Dell.

Mr. E. P. Herbert served various hotels, such as the Carrollton, Eutaw House, Blue Mountain House and the Emerson, for more than 50 years.

CANDIDATE GRATIFIED BY PUBLIC'S RESPONSE

Gratified by the public's response to his candidacy for nomination for the office of clerk of the Superior Court, Luther Pittman has added momentum to his campaign.

Although Mr. Pittman is a Democrat he has not aligned himself with any faction. He is a member of the Bar and recognized as an authority on Pleading and Practice.

For twenty years he has been connected with the Superior Court. Immediately after his discharge from the Army in 1918 he became a Recorder in the Superior Court, and advanced to Chief Deputyship of that Court. When Stephen C. Little died last February the Supreme Bench appointed Mr. Pittman Clerk of the Superior Court. Mr. Pittman was recently presented with a petition containing the names of 1100 lawyers requesting him to become a candidate for the Clerkship.

Martin M. Valenstein, member of Eutaw Place Temple, is cashier of the Superior Court, and one of Mr. Pittman's valued department heads.

Dear Comrade:

As a member of the 29th Division I am writing you in behalf of another veteran, Mr. Luther Pittman, who is a candidate to succeed himself as Clerk of the Superior Court.

Mr. Pittman served overseas, received an honorable discharge, and upon returning to the United States obtained a position in the Superior Court. Step by step he has arisen in that court, and now by virtue of an appointment by the Supreme Bench he holds the position of Clerk of the Superior Court.

Upon the request of more than 1060 members of the Baltimore Bar and of every employee of the Superior Court, Mr. Pittman decided to become a candidate for the position he now holds by reason of the above mentioned appointment.

As one of the employees of the Superior Court, and as a fellow veteran I ask you to do whatever you can to ensure his election.

Please know that I will appreciate your help, and that Mr. Pittman's election will mean much to me personally.

Yours in comradeship,

Democratic Candidate for Clerk of Superior Court

Primary, Monday, September 12, 1938

August 25, 1938.
Baltimore, Md.

Mr. Fred E. Johnson,
601 Woodington Road,
Baltimore, Md.

Dear Mr. Johnson;

When you go to the polls to vote in the Primaries on September 12th, will you, as a personal favor to me, vote for Mr. Luther Pittman, Democratic candidate for the Clerkship of the Superior Court?

Mr. Pittman has been connected with the Superior Court for the past nineteen years. During that time he has occupied every position of importance in that Court, and is considered an authority on court Procedure. When the Clerk of the Court, Mr. Stephen C. Little, died last February, Mr. Pittman, then Deputy Clerk, was appointed by the Supreme Bench to fill the vacancy.

Recently Mr. Pittman was presented with two petitions asking him to be a candidate for the Clerkship. One was signed by every employee of the Superior Court, and the other contained the names of 1050 Members of the Baltimore Bar. This latter petition stated that it would be to the general welfare of the City of Baltimore to continue Mr. Pittman in office. With such evidence of loyalty and confidence before him Mr. Pittman agreed to run for the office.

With the knowledge, therefore, of his qualifications, and the realization that your cooperation will mean much to me, personally, I trust you will vote for, and ask your friends to vote for Mr. Pittman.

Thanking you, I am,

Sincerely yours,

Discovers Law To Test Keeness Of Senses

By GOBIND BEHARI LAL
International News Service
Science Editor

NEW YORK, Nov. 9 — A discovery that will make it possible to measure and predict the keeness of any person's major senses, in health or disease, was revealed today at the Neurological Institute of Columbia University's College of Physicians and Surgeons.

Dr. Charles A. Elsberg, noted brain surgeon and nerves specialist, assisted by Dr. H. Spontitz, has found a general law about the way in which the nervous system acts when any sensation is experienced.

TESTS MADE

Tests were made on various persons for their abilities to distinguish things by vision, smell, hearing and taste. Each individual's highly specialized pattern of sense perception was measured.

Generally it was found that there are marked or slight differences, but always measurable differences, between the powers of vision, smell, audition, taste of any two persons.

DIAGNOSE SITE

In the case of vision, smell and hearing, it was possible even to diagnose accurately the site of a cancer of the brain or of the nerve fibers. When a person had a common cold, the ability to smell was altered.

Thus, these tests of the important human senses in each case serve as new and sensitive means of diagnosing nerve and brain disturbances.

FACTORS IN LAW

Two of the things involved in the law are the intensity of the stimulating cause, such as light, odor, sound, taste, and the time taken before the person feels anything.

Dr. Elsberg found that "the cube roots" of numbers always came out in the law. For instance 3 is the cube root of 27, and 5 of 125. Somehow these cube root numbers are "of great significance for the activity of the central nervous system," says the Columbia University brain surgeon.

Here may be the start of a science of numbers that help in understanding the secrets of the human mind.

Look in the section your birthday comes in, and find what your outlook is, according to the stars.

FOR THURSDAY, NOV. 10

MARCH 21 TO APRIL 20—(Aries) — When everything goes well is the time we so often forget to thank God for His goodness, but as soon as we need or want something we beg Him to grant our wishes. How about stopping a bit today just to thank Him for life and the Grace to do His work well in this world?

APRIL 21 TO MAY 20 (Taurus) — Don't be too exacting; and accept a sound suggestion from another if it will help in any way. Fault-finding may run you into unnecessary squabbles.

MAY 21 TO JUNE 21 (Gemini) — Discretion and particular care asked in things requiring muscular strength, dispatch, responsibility, daring. The conventional most favored.

JUNE 22 TO JULY 23 (Cancer) — Stars are friendly. Sensible moves toward bettering conditions in general are greatly approved. Be discriminating. If you've time for some recreation, try a healthy outdoor kind.

JULY 24 TO AUGUST 22 (Leo) — Don't waste time—get at the necessary duties . . . and no matter whether you "feel like doing them," do be the cheerfully energetic person you were meant always to be, and ALL day!

AUGUST 23 TO SEPTEMBER 23 (Virgo)—Advised, this otherwise nil day; strength of purpose, enthusiasm about whatever is your schedule, dignity of voice and manner and plenty of your natural OPTIMISM.

SEPTEMBER 24 TO OCTOBER 23 (Libra)—Curb a tendency to speculate and to spend for foolish pleasures. Let your exuberance air itself on an old but "tough" matter

that should be finished by now. Consider all angles before deciding anything.

OCTOBER 24 TO NOVEMBER 22 (Scorpio)—You may not relish what has been appointed for you to accomplish today, but you'll be doing your strength of character a favor if you dig into it sincerely and give it your best. And don't spoil the good work by comments of dissatisfaction.

NOVEMBER 23 TO DECEMBER 22 (Sagittarius) — You shouldn't have one "kick" coming! And if the unexpected crops up, take it philosophically; you can handle more than you yourself think! Be rightly ambitious.

DECEMBER 23 TO JANUARY 21 (Capricorn)—Be high-spirited, resolute! The enterprising is if it isn't too far out on the limb, approved. Sales people, builders, charitable organizations, artists most favored.

JANUARY 22 TO FEBRUARY 20 (Aquarius)—If you did well yesterday (which we sincerely hope), don't let enthusiasm wane today. There are angles of achievement you haven't even considered! Outsiders working for your good.

FEBRUARY 21 TO MARCH 20 (Pisces)—Not a day to show an easy-going, devil-may-care attitude! There are things to be done. Don't be fastidious. Seek new opportunities; ask co-operation. Guard health.

IF TODAY IS YOUR BIRTHDAY
You are one of great courage and excellent ideas for mankind's general good—IF you are living up to your better self! Mme. Curie, R. L. Stevenson, Daniel Boone and Sarah Bernhardt are but a few of the Scorpio natives who became very useful folk. Think it over—you've so much to give the world, you shouldn't misuse one minute of valuable time!

Sees Week-End N. Y.-Paris Trips

NEW YORK, Nov. 9—(A. P.)—Week-end jaunts from New York to Paris, London, Berlin, or Moscow will be commonplace within five years, says Eddie Rickenbacker, World War ace. He said craft flying 300 miles an hour at altitudes of 20,000 to 30,000 feet would make such excursions possible.
